

The Northern California DX Club, Inc.

The DXer

DECEMBER 1980

VOL. XXXIV

NR. 12

-
- PLACE: VILLA CHARTIER 4060 S. El Camino Real, San Mateo (Sky Room)
- DATE: SUNDAY, 14 December 1980 Please note this is a Sunday meeting!!!
- TIME: Cocktails --- 4:00 P.M. 6:00 --- the feast begins!
- MENU: There will be a choice of dinners, Special Southern Fried Chicken, and Sirloin Steak Brochette. Please contact K6XN to let him know which ones you want and how many will be attending. Price will be \$11.50, including tax and tip.
- PROGRAM: N6AUS and his XYL will present a program on the island of Mauritius. Since Dave's wife is from Mauritius this will not be the usual DXpedition type of presentation!

Remember: This is our annual Christmas meeting. It will be primarily a social gathering. The only business will be election of directors for next year and readings for new members. You are encouraged to bring your XYLs or YLs

For those who have never attended a Christmas meeting before, everyone attending is asked to bring a small gift, worth \$5.00 or less, and appropriately labeled either OM or XYL. At the conclusion of the meeting W6Sant Claus will distribute the gifts to one and all. Those who have attended before can tell you that the Christmas meeting is probably the best meeting of the year. See you all there the 14th!

WHATCHA MISSED

The November meeting was held on Friday, November 14, 1980 at the Blue Dolphin in San Leandro. Guests included SM5CIK, DL1QK, N6DJR, K6EDV, WB6NBR, KR6O, Carol Park (K6XN's XYL), Dottie Cutler (WD6CMT's XYL) and W6CSI.

First readings were given for KR6O and W6CSI.

Bob Thompson gave a presentation on plans for the Visalia joint convention, with Bob declaring that nothing definite has been decided on who the principal speakers will be.

A report on the current status of the W6 QSL bureau was given by W6GO. Jay read a letter from the bureau manager replying to our comments on the bureau and it's performance.

K6RU discussed the CQWW DX contest, both the phone results and the upcoming CW part of the contest.

The program was an old fashioned round-table, which included our president telling of his upcoming trip to 4X4 land and planned operation from there in the CW section of the CQWW contest.

B o D MEETING

The last Board of Directors meeting was held on November 24, 1980.

Meeting places for the club were discussed. A committee headed by W6NLG will study the situation. Harry's Hof Brau in Palo Alto is a possibility.

There was some discussion of the contents of the DXer and it's costs.

Badge costs have risen, but no increase is anticipated at this time.

The life membership situation was once again brought up. It is spelled out in the Procedures Manual, but this is complicated by the By-Laws. It appears that the By-Laws should be changed to settle the matter once and for all.

The BoD is planning to revise the Procedures Manual section on the club repeater to reflect the results of the latest member survey, just completed.

Certificates of Merit will be given out as soon as a list of deserving members is made up. (It looks like the Club has finally decided on list operations --- Sorry about that Bob! -Ed.)

SPECIAL THANKS

For the third year in a row I am here to crank out the last issue before we head into a new year. Once again I wish to thank those who have helped both me and the club as a whole. Thanks are due to WB6DFX who helps fold, spindle, and mutilate each issue before it is entrusted to the Post Office. And to K6RV who supplies all the labels, saving untold hours. Also to the club officers who supply the information, as well as run the whole show. And then there are those who do the unglamorous jobs, like W6RGG who runs the NCDXC Memorial station, W6TI. Or AF6S who handles the Thursday nite net. And all those who also participate in the net. Not to be left out are those who do more than is required in the call of duty, namely W6GO and his QSL bureau work. Or N6AUS and the DXCC listings for members. I know there are others that I am leaving out due to a faulty memory. From the size of the list it should be apparent that the club isn't run by any one person. It's a collection of people, all doing what are often thankless tasks, that make the club run. On behalf of the rest of us I wish to thank them all. Thank you.

WB6RIU
